E-NEWSLETTER

July to September 2021

## Welcome Freshers!

It is with hopes and aspirations, dreams and ambitions that you are in this campus. Everything is new for you, new classrooms, new teachers, new friends and even new technology. Every year around 1500 students take admission in this college. Everyone aims to pursue their academic goals and want to become what they aspire to be. Undoubtedly, our College is a breeding ground for student's growth and all round development. It is a place that gives you an experience of a lifetime- be it friendship, fun, extracurricular activities, sports, or academics. There are many activities you can be part of. And we do wish that each one of you will take part in some of them. We do not want you to be just gathering information from here; but we want you to learn discipline, compassion, and above all understand the meaning of life.

Always keep your goals in mind and each day measure the steps you have taken towards your goals. Then you will achieve success. We heartily welcome each one of you and wish you to find the best time of your life during the course of study here.
