Suggestions:

- Books in Library is less
- Support to handicapped students at financial and competitive level.
- The new entry and exit rule of college for students is a worst rule. If a student has some urgent work he/she have to write an application then search her teacher, disturb her in between classes and then she can leave fir home finally. This is really frustrating. Every student of our college is against this rule but nobody speaks due to fear.
- New way of teaching just like teach the students by the way of flow charts, tables, pictures etc.
- College entry exit rules are wrong this please change this we face problems due to this rule.
- Please improve management system of college
- More events should be organised.
- Focus is only on completion of syllabus or attendance, please focus on importance of competition and friendly behaviour of teachers with the students.
