CAMPAIGN FOR GIRLS' EDUCATION AND HEALTH:16 DEC,2022

Women Cell

The Women Cell, NBGSM College Sohna organized a Campaign for Girls' education and Health in Sohna Slum areas. In the kind presence of the respected principal of the college Prof. (Dr.) M.S. Khatri, Dr Anshika, In- charge, Women Cell with the 24 girls volunteer in the cell went to slum areas. Dr. Anshika and the other girls in the Cell talked to the women and girls in the slum area and told them about the importance of Education and health for the girls of the nation.

Here is a glimpse of the same:

Role of Education in a girl's life: Education is the key to unlocking the full potential of girls and women. When girls receive an education, they are equipped with the knowledge and skills they need to succeed in life. They are also more likely to marry later, have healthier children, and participate in the workforce. This contributes to overall economic growth and development in their communities.

Importance of Health in a girl's life: good health is a basic human right and essential for a full and productive life. When girls have access to healthcare, they are less likely to die from preventable illnesses and are more likely to attend school and stay in school. This also positively impacts future children as they are more likely to be healthy and have a higher chance of survival.

Overall, investing in girls' education and health has a positive impact on individuals and families. With these messages, the team also distributed sanitary pads, eatables and stationery items to the needy girls and women.

NCC Girls' Battalion N.B.G.S.M.College , Sohna

National Cadet Corps (NCC) is a national-level organization in India that aims to instil discipline, patriotism and leadership qualities in young people. With a view to promoting NCC among young girls, a girls' NCC battalion has been started at N.B.G.S.M. College with a reservation of 33% out of 100. The main objective of starting a girls' NCC battalion in N.B.G.S.M. College is to provide a platform for young girls to develop their leadership skills, physical fitness and a sense of national duty. It also aims to prepare them for a bright future by inculcating the values of teamwork, self-discipline, and responsibility. The reservation of 33% out of 100 has been made to encourage more girls to participate in NCC activities. This will provide equal opportunities for girls to showcase their talents and develop their skills.

The NCC battalion will be conducting various activities like drills, shooting, adventure sports, social service, and community development programs. The girls will also have the opportunity to participate in camps, expeditions and training programs organized by the NCC. These activities will not only help in the physical and mental development of the students but will also provide them with a sense of purpose and direction.
