PRINCIPAL'S MESSAGE

Dr. M.S. Khatri
Principal

Nirankari Baba Gurbachan Singh Memorial College (NBGSM College), is a unique educational institution. Established in 1975, the college has never looked back but forged ahead steadily in all fields of academic life, making it one of the leading colleges of the region and the affiliating university.

Here, at NBGSM College we aim to produce well-versed and wholesome human beings through value-based education who are not only conversant with material skills but also with vital life skills.

I find it extremely exciting and satisfying as a Principal of this college and I view myself as a facilitator to empower and awaken the inherent potential of the NBGSM college family. I welcome the new batch of students to grab this opportunity and take ownership of this institution on an intellectually invigorating journey with us.

ABOUT COLLEGE

N.B.G.S.M. College, Sohna (Gurugram), aims to produce well-versed and wholesome human beings through value-based education who are not only conversant with material skills but also with vital life skills. The students of N.B.G.S.M. College have repeatedly proved their mettle in academics by bagging a number of meritorious positions in university exams. Year after year our bright students found place in the university merit lists and did the college proud. The College assist the students in grooming their personality, enhancing their communication skills and building a positive, progressive outlook through numerous programs, activities and counseling.

VISION & MISSION

Our Vision

We endeavour to become the leading institution in Haryana by providing quality education to all, and thereby making India a global knowledge superpower. We further endeavours to inculcate a sense of enquiry and scientific temperament in the minds of the students, respect for diversity, inclusiveness, and humanism to emerge as leaders of tomorrow with the capacity to make a difference.

Our Mission

- To provide an active and enriching learning environment by adopting latest teaching methodologies and state of the art infrastructure.
- To extend high quality academic education through distinctive academic programmes.
- To provide multi-faceted development of students through co-curricular and extra-curricular activities.
- To promote research by strengthening infrastructure and capacity building of human resource.
- To develop soft skills and rejuvenate the fading moral values among students.
